

PROJECT NAME: Digital Arts and New Media Cluster Acceleration Project

RECIPIENT: Salt Lake Community College

LOCATION: Taylorsville, Utah

PURPOSE: Funding would be used to support aggressive efforts to create and sustain a digital arts and new media cluster for film and entertain arts, which would provide jobs and generate economic activity. The project would help hundreds of students realize job opportunities in the current and emerging fields of digital arts and new media. Funds would leverage additional private resources at a rate of about 2 to 1.

AMOUNT: \$500,000
